

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

PRINTED BY

SPOTTSWOODE AND CO., NEW-STREET SQUARE
LONDON

ESTABLISHED 1837. The Publishers' Circular

AND
BOOKSELLERS' RECORD
OF

British and Foreign Literature,
A HIGH CLASS JOURNAL FOR PUBLISHERS, BOOKSELLERS, AUTHORS, BOOK COLLECTORS,
LIBRARIANS, AND ALL WHO ARE INTERESTED IN LITERATURE.

GENERAL CONTENTS.

Articles on Current Literary Subjects.	Regular Lists of Books Published in Great Britain and America.
Notes and News regarding Books.	Leading Foreign Publications.
Continental Notes.	Businesses for Sale.
American Notes.	Situations Wanted, and Situations Vacant.
Obituary of Literary Men.	Books Wanted to Purchase, and Books for Sale.
Jottings about Library Sales.	Trade Changes.
Reviews of New Books and Magazines.	
American Publications.	

The characteristics of the Literary matter, and of the Advertisements, make the 'Publishers' Circular and Booksellers' Record' the most comprehensive record of current Literature.

The *Publishers' Circular and Booksellers' Record* is subscribed for by all the principal Publishers, Booksellers, Librarians, and Stationers at Home and in the Colonies, and has also a considerable circulation on the Continent and in America. Among the chief towns in the Colonies to which it is posted each week are Adelaide, Melbourne, Sydney, Christchurch, N.Z., Rangoon, Dunedin, N.Z., Shanghai, Bombay, Madras, Calcutta, Cape Town, Toronto, Newfoundland, Natal, Singapore, and Hong Kong; while on the Continent and in America it is subscribed for by booksellers and others at Rome, Leipzig, Florence, Dresden, New York, Boston, San Francisco, Philadelphia, Stockholm, Paris, Barcelona, Oporto, Naples, Berlin, Geneva, Buenos Ayres, Milan, Copenhagen, Vienna, Amsterdam, Lyons, Moscow, Budapest, Brussels, St. Petersburg, Christiania, and Hamburg.

It is an unrivalled means of bringing Book Announcements rapidly under the notice of the whole Bookselling Trade at Home and Abroad, and an indispensable medium

FOR ALL WHO WISH TO BUY OR SELL BOOKS, NEW OR OLD, OR OBTAIN INFORMATION ABOUT THEM.

SUBSCRIPTION TERMS AND ADVANTAGES TO ANNUAL SUBSCRIBERS.
